8. CUSTOMER AGREEMENT (Continued on page 4)

- 10. Failed Transactions.** If on or before the settlement date I fail to pay in full for any security purchased for my account or I fail to deliver any security sold for my account, USBI is authorized in its discretion and without notice or demand to take any one or more of the following actions: to cancel the transaction, sell the securities covered thereby, "buy-in" securities or other property required to make delivery for my account, charge my account for the amount due, hold me liable for any resulting loss including but not limited to the interest cost to carry any securities purchased and/or impose late fees.
- 11. Set Off and Other Rights of Broker-Dealer.** In the event that: (a) the margin of any of my accounts shall not meet your requirements; (b) I fail to pay any fees for USBI services within thirty (30) days after they become due or, in any event, prior to closing my account; (c) a petition in bankruptcy or for the appointment of a receiver shall be filed by or against me; (d) an attachment or garnishment shall be levied or served with respect to any of my accounts; (e) I (if an individual) shall die; or (f) USBI shall deem it necessary for its protection, USBI is then hereby authorized, in its sole discretion to: (i) close out any margin accounts; (ii) buy any and all securities which may be short in such accounts; (iii) close any or all outstanding contracts; (iv) reduce or satisfy any indebtedness of me to USBI by selling, at public or private sale, any or all of the securities or other property which may be in your possession, or which may be carried by you for me (either individually or jointly with others); or (v) buy, at public or private sale, any and all securities sold for my account but not received from me. Any or all of the foregoing options may be undertaken by USBI without advertising the same, and without prior tender or notice to, or demand upon me. Upon any sale other than a private sale, USBI may purchase the whole or any part thereof for your own account. No specific tender, demand or notice, nor any failure on the part of USBI to exercise such right to reduce or satisfy any such indebtedness shall invalidate the waiver of tender, demand and notice herein contained. After deducting all costs and expenses of such sales and purchases, including commissions and stamp taxes, USBI shall apply the net proceeds to the payment of my obligations to USBI, and I shall remain liable for deficiency remaining in such accounts.
- 12. Authority to Sell, Purchase or Cancel.** Any sale, purchase or cancellation authorized by paragraphs 10 and 11 of this Agreement may be made according to USBI's judgment and in its discretion on the exchange or other market where such business is then usually transacted, at public auction, or at private sale, without advertising the same and without any notice, prior tender, demand or call, and USBI may purchase the whole or any part of such securities free from any right of redemption. In any case I will remain liable for any deficiency and will be responsible for any loss, cost or expense of collection (including, but not limited to, attorney's fees) that USBI may sustain.
- 13. Confirmations and Account Statements.** Order confirmations and account statements will be conclusive if I do not object in writing within ten days after the confirmation has been forwarded to me or within ten days in the case of an account statement.
- 14. Sharing of Information.** USBI may not share my non-public personal information with any unaffiliated third parties except as permitted by law or pursuant to my consent. USBI may share my transaction experience and other non-public information with its affiliates, provided I have not made written objection to such sharing directly to USBI.
- 15. Recording of Telephone Conversations.** For our mutual protection, USBI and its agents may record our telephone conversations by electronic recording equipment. This authorization constitutes standing and continuing permission to record all telephone conversations. USBI need not give me specific notice of the recording of any particular telephone conversation.
- 16. My Reporting Obligation.** In the interest of better customer service and for our mutual protection, I agree to immediately report any trades and transactions that were executed without my prior authorization; any transactions which are not properly reflected on my confirmation or monthly statement; or any other activities or omissions by USBI or its agents or employees that I believe to be improper. Such communication will be directed to the Director of Compliance.
- 17. Monitoring of Call Notices.** USBI is required to use only reasonable care to monitor call notices published by a reporting service relating to securities held by it in nominee name for my account; USBI does not have any obligation to monitor call notices published in any other publications or relating to securities held by it in my name, which remain my responsibility.
- 18. Pre-Dispute Arbitration Agreement.** I understand and acknowledge that:
- All parties to this agreement are giving up the right to sue each other in court, including the right to a trial by jury, except as provided by the rules of the arbitration forum in which a claim is filed.**
 - Arbitration awards are generally final and binding; a party's ability to have a court reverse or modify an arbitration award is very limited.**
 - The ability of the parties to obtain documents, witness statements and other discovery is generally more limited in arbitration than in court proceedings.**
 - The arbitrators do not have to explain the reason(s) for their award.**
 - The panel of arbitrators will typically include a minority of arbitrators who were or are affiliated with the securities industry.**
 - The rules of some arbitration forums may impose time limits for bringing a claim in arbitration. In some cases, a claim that is ineligible for arbitration may be brought in court.**
 - The rules of the arbitration forum in which the claim is filed, and any amendments thereto, shall be incorporated into this agreement.**
- No person shall bring a putative or certified class action to arbitration, nor seek to enforce any pre-dispute arbitration agreement against any person who has initiated in court a putative class action; or who is a member of a putative class who has not opted out of the class with respect to any claims encompassed by the putative class action until: (i) the class certification is denied; (ii) the class is decertified; or (iii) the customer is excluded from the class by the court. Such forbearance to enforce an agreement to arbitrate shall not constitute a waiver of any rights under this Agreement except to the extent stated herein.**
- I agree that any controversy arising out of or relating to my account, to transactions with or for me or to this agreement or the breach thereof, whether executed or to be executed within or outside of the United States, and whether asserted against USBI and/or its present or former agents or employees, will be settled by arbitration before and in accordance with the then current rules of the Financial Industry Regulatory Authority. Judgment upon any award rendered by the arbitrators may be entered in any court having jurisdiction thereof. Notwithstanding anything to the contrary in this agreement, the arbitrability of disputes under this agreement shall be governed by the Federal Arbitration Act.**
- 19. Notification of Changes.** I agree to notify USBI immediately of any changes to the representations I have made in this Agreement.
- 20. Amendments, Assignments, and Terminations.** No provision of this Agreement may be waived or amended except in writing and signed by an authorized officer of USBI. I agree that USBI may amend this Agreement upon notice to me. This Agreement will be continuous and will survive any temporary or intermittent closing out or reopening of any account with USBI, shall be binding upon my heirs and estate, and shall inure to the benefit of USBI's successors and assigns and its Clearing Agents. USBI may transfer my accounts to its successors and assigns. USBI, in its discretion, may close any account at any time upon written notice to me. The notice shall provide me the ability to elect to have my assets transferred to another brokerage firm of my choosing. If no election is made within a reasonable period as specified within the notice, USBI is authorized to deliver by first class mail to the last address specified on the account all securities and to issue a check payable to me for all money balances held within the account.

8. CUSTOMER AGREEMENT (Continued from page 3)

- 21. **Governing Law.** This Agreement and its enforcement will be governed by the laws of the State of Minnesota.
- 22. **Severability.** If any provision or condition of this Agreement is held to be invalid or unenforceable, such invalidity or unenforceability shall attach only to such provision or condition, and the validity of the remaining provisions and conditions will not be affected.
- 23. **Sweep Account Authorization.** I specifically consent to the transfer of funds from the account to the designated money market funds for the purchase of the money market fund securities from the account and for USBI to sell securities of the money market fund on my behalf and transfer the proceeds to the account to pay for other securities purchased or to pay cash to me pursuant to the procedures and limitations USBI may from time to time establish.
- 24. **Payment for Order Flow.** USBI transmits customer orders for execution to various U.S. exchanges or market centers based on a number of factors. These include trading characteristics of the security and availability of efficient automated transaction processing. Listed equity securities will post on registered national securities exchanges. USBI will route most of its orders for the over-the-counter equity securities to selected market makers. Market centers may execute orders at prices superior to the publicly quoted market in accordance with their rules or practices. USBI may receive payment for order flow. Further information about the source and nature of the compensation for a particular transaction will be provided upon written request.
- 25. **Disclosure of Beneficial Ownership.** I understand that for shareholder communications, USBI will disclose my name to issuers of securities held in my account, unless I direct USBI otherwise in writing.
- 26. **Account Protection.** The securities held in your U.S. Bancorp Investments, Inc. trading account and cash on deposit for the purpose of purchasing securities, or as a result of the sale of securities, are protected by the Securities Investor Protection Corporation (SIPC). SIPC protects each customer up to a maximum of \$500,000, including up to \$100,000 on claims for cash balances awaiting re-investment. SIPC does not protect against losses from the rise and fall in market value of your investment. It does, however, provide important protections against certain losses if a SIPC member fails financially and is unable to meet obligations to its securities customers. For information about SIPC or to obtain a SIPC brochure, please see www.sipc.org or call SIPC at (202) 371-8300.
- 27. **Tax Withholding.** If the IRS has notified the applicant that the applicant is subject to backup withholding as a result of a failure to report all interest or dividends, such must be disclosed on this application. USBI is not a tax advisor and recommends that the applicant seek competent tax advice regarding backup withholding before signing this application.
- 28. **Securities Handling.** Securities will be held in street name unless customer requests otherwise in writing. Please be advised that not all securities can be converted to a physical certificate, and that a fee applies for each requested physical certificate. Processing fees will be charged for each certificate.
- 29. **Margin Loans and Options.** Margin loans, if any, shall be made by USBI. I shall not request any margin loan or option transaction without first complying with all requirements of USBI.

9. SIGNATURE AND CERTIFICATION

- 1. **HOLD HARMLESS.** The undersigned customer understands and agrees that USBI does not, and will not, make recommendations to the undersigned for the purchase or sale of securities and, therefore, agrees not to hold USBI responsible to determine the suitability of trades in the undersigned's account or for any losses resulting in the account from orders and instructions given to USBI. Further, the undersigned understands, acknowledges, and agrees that it is the undersigned's responsibility to determine the suitability and risk of each transaction entered in the account and specifically agrees to hold USBI harmless for any such investment decisions or losses resulting from the undersigned's transactions.
- 2. **RECEIPT OF DOCUMENTS.** Applicant acknowledges receipt of a copy of this application and "Important Information and General Product Acknowledgment."
- 3. **CUSTOMER AGREEMENT.** The Terms and Conditions including the pre-dispute arbitration agreement contained in Item 18 in the Customer Agreement printed on page 3 are a part of this application document, and applicant agrees to be bound by such and as such may be amended from time to time.
- 4. **TAXPAYER CERTIFICATION Under penalty of perjury, I certify that:**
 - **Taxpayer Identification Number.** The number provided in Section 3 above is the applicant's correct federal taxpayer identification number.
 - **Backup Withholding.** The person or entity applying for this account is not subject to backup withholding because: (a) Applicant is exempt from backup withholding, or (b) has not been notified by the Internal Revenue Service (IRS) that the applicant is subject to backup withholding as a result of a failure to report all interest or dividends, (c) the IRS has notified the applicant that the applicant is no longer subject to backup withholding.
 - You must cross out (b) above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return.
 - Check here if applicant is an exempt payee per IRS definition.
 - **U.S. Person.** Applicant is a U.S. citizen or other U.S. person; or if not a U.S. person, applicant is submitting a USBI Substitute W-8BEN.

GENERAL PRODUCT ACKNOWLEDGMENT

- **529 PLANS.** The state may offer 529 Plans with alternative tax advantages for its residents that national plans may not offer. Consult a tax advisor before investing.
- **BROKERED CERTIFICATE OF DEPOSIT (CD).** The market value of a brokered CD will fluctuate based on the prevailing interest rates. Accordingly, a brokered CD may at any time be worth more or less than its face value.
 - This does not apply to traditional CDs which may be purchased at U.S. Bank.
 - The monthly brokerage account statement includes the current market value of the brokered CD.
- **CLOSED-END FUNDS.** Closed-end funds may not redeem shares on a daily basis. The fund may not list its shares on any securities exchanges, and there is no assurance that any secondary market will develop for the fund's shares. See prospectus for details.
- **COLLATERALIZED MORTGAGE OBLIGATIONS (CMO).** Yields on CMOs are subject to fluctuation depending on the speed with which the underlying receivables prepay.
 - Specific information about the factors that may affect yield will be furnished in the CMO Disclosure Form.
- **EXCHANGE TRADED FUNDS.** Exchange Traded Funds (ETFs) typically derive their value from an underlying basket of securities. Because ETFs trade throughout the day like a stock, continuous supply and demand also impact the price. As a result, it is possible for an ETF to trade at a price that does not reflect the value of the underlying securities, and these risks may be magnified in more complex or specialized ETFs.
 - Investment returns will fluctuate and are subject to market volatility, such that an investor's shares, when redeemed or sold, may be worth more or less than their original cost.
 - The level and type of risk associated with ETFs may vary significantly from one ETF to another. It is important to have a complete understanding of the underlying product(s) from which an ETF derives its value in order to evaluate risks.
 - Investors should carefully review the ETF with their representative to ascertain fund-specific information.
- **HIGH YIELD BONDS.** High Yield Bonds are markedly different from investment grade bonds. They are less liquid, subject to a higher degree of price volatility, and more likely to default on principal and interest.
 - Investors purchasing a High Yield Bond seeking higher income must be prepared to forego the relative safety of principal and interest inherent in an investment grade bond.
- **MONEY MARKET MUTUAL FUNDS.** Money market funds seek to preserve the value of your investment at \$1.00 per share. However, it may be possible for the value to fall below \$1.00 per share and for you to lose money by investing in the fund. While there have been instances where affiliates of money market funds have purchased stressed assets or otherwise provided monetary support to money market funds to preserve the \$1.00 per share value, such support is not guaranteed to occur.
- **MUTUAL FUNDS and ANNUITIES.**
 - Mutual funds and variable annuities are offered by prospectus only.
 - Indexed and immediate annuities may or may not be sold by prospectus.
 - Mutual funds, variable annuities, fixed annuities, indexed annuities, and immediate annuities require additional disclosure documents.
- **PRODUCT PARTNERS.** USBI utilizes a formal due diligence process to evaluate product partners distributing their products throughout our system, selecting only those product partners matching our required criteria and striving to deliver the highest customer service and satisfaction. These partners provide financial contributions to USBI which are used to support the marketing of their products, training our financial professionals about the products, and for other purposes. These contributions are not paid out of fund assets which means they are not paid by the customer. Full disclosure may be accessed through www.usbank.com.
- **UNIT INVESTMENT TRUSTS (UIT).** UITs, comprised of a fixed portfolio which is not actively managed, are sold on the secondary market once the initial public offering (IPO) is sold out. Current market conditions, sales charges, or other charges or fees may impact the value received. Due to the characteristics of the underlying investments, UITs are not deemed appropriate for short-term investments.
 - UITs that have initial sales charges sometimes offer discounts in the sales charge based on the dollar amount or number of units of the investment. The thresholds at which the discounts are offered in the sale of UITs generally are called price breaks and are similar to the breakpoint discounts in the sale of mutual fund shares. Such price breaks may also apply to related parties, e.g., spouse or children under age 21 living in the parental household, who purchase units on the same day. See prospectus for details and to determine if today's purchase qualifies.
- **U.S. TREASURY SECURITIES.** U.S. Treasury Bills, Notes, and Bonds are backed by the full faith and credit of the U.S. Government. If liquidated prior to maturity, the proceeds may be worth more or less than originally invested for these securities.
 - The net asset value (market value) of mutual funds which invest in U.S. Treasury securities may fluctuate daily.

U.S. Bancorp Business Continuity Disclosure

U.S. Bancorp has developed a Business Continuity Plan that will be activated in the event of a significant business disruption that results from a natural disaster, power outage or other event. This Business Continuity Plan is designed to ensure that U.S. Bancorp can recover its mission-critical functions, meet its fiduciary responsibility to its stakeholders and comply with all regulatory requirements.

Key features of our plan include systems and telecommunications accessibility, alternate physical site preparedness, and system backup and recovery. Our plan addresses the actions we will take to recover mission-critical functions, which for U.S. Bancorp Investments, Inc. (USBI) include processing of purchase and sell orders, providing access to customer account information, and delivery of available funds within the brokerage account.

To support our planned recovery we maintain a separate back-up location and a significant number of branches throughout the U.S. Account access would be available through your local branch office, any other office of USBI, or by direct contact with our call center. In the event that our primary operations center becomes unavailable, we would transition to a separate back-up location. In the event that we have an issue within the region where our main operations center and back-up location are located, we would transition to a location in another region.

For the most significant business disruption scenario that we have identified, we anticipate that all critical business operations would be resumed within 6-12 hours. Since it is impossible to anticipate every type of potential disaster, however, there can be no assurance that there will be no interruption of the U.S. Bancorp's business functions in all circumstances.

U.S. Bancorp regularly reviews, updates and tests the Business Continuity Plan to support business needs, in accordance with regulatory requirements.

This plan is subject to modification at any time and updated plans will be promptly posted on Online Investing, available through usbank.com. Alternatively, you may request a written copy by mail.

This information is confidential and proprietary in nature. Please do not copy, distribute, or otherwise disclose this information in any manner without the express consent of U.S. Bancorp.

In Section 4, below, we explain your right to choose how we share and use personal credit information about you. Subject to your choices to limit sharing as explained in Section 4, we may share all of the information we gather with:

- A. Our "affiliates" (i.e., U.S. Bancorp family of financial service providers -- companies related to us by common control or ownership) that offer financial products and other services, including those identified in this privacy pledge and our administrative or service units that perform functions, such as servicing your accounts or preparing your account statements. Our affiliates may use information (including personal credit information) about you to offer products and services to you.
- B. Unrelated companies that work for us, including:

Companies that perform support services for us, such as data processors, technical systems consultants and programmers, check printers, or companies that help us market products and services to you. All such companies that act on our behalf are contractually obligated to keep the information we provide them confidential and to use the information we share only to provide the services we ask them to perform for us.

We do not sell or share customer information with unrelated companies so that they can market their products to you, except as permitted by law (i.e., with our financial partners or retail partners as a part of a private label credit card account). From time to time, we may communicate to you special offers for products or services of unrelated companies, which we believe may be of interest to you. These companies will not learn about your relationship with us unless you respond to their offers.
- C. Companies and other entities as permitted by law.

3. We Protect the Confidentiality and Security of the Information We Gather

We restrict access to personal information about you to those employees we believe need to know that information to provide products and services to you. We maintain physical, electronic, and procedural safeguards to keep information about you safe.

4. Your Choices About How We Share Personal Information About You

You have the right to choose how we share certain personal information about you.

A. You May Tell Us Not To Share Personal Credit Information Within The U.S. Bancorp Family Of Financial Service Providers

In order to serve you better, we may share "personal credit information" (described in Sections 1C and 1D) we gather about you within the U.S. Bancorp family of financial service providers. B. You May Tell Us Not To Call Or Send Direct Mail To You For Additional Products Or Services

From time to time, we may call or write to tell you about additional financial products or services that we think may be of interest to you. **You may, however, tell us not to call or send direct mail to you for additional products and services, by following the instructions on the attached form.** Please note that if you make this choice, we will still call you and send you mail to service your existing relationships, or provide account related information (and, when doing so, the mail we send may include pre-printed marketing materials in those mailings).
